

OFYR BUTCHER BLOCK STORAGE 90

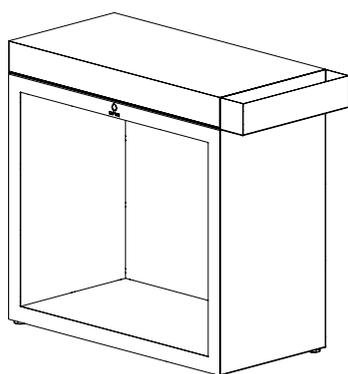

The OFYR Butcher Block Storage 90 is an ideal companion to OFYR Classic models by having a solid chopping board for food preparation, handy accessories tray and options for under-counter wood storage. The Butcher Block 90 is available in two different base materials; Corten steel and Black coated steel. The chopping board is available in rubberwood and dark grey ceramics. After use, the rubberwood board should be stored indoors while the ceramic boards can always stay outdoors.
